WORK EXPERIENCE

Manager, Growth & Content Marketing

2025 - Present

Syspro | Remote (Headquartered in Johannesburg, SA)

- Led the Americas execution of global growth marketing initiatives, translating enterprise marketing strategy into regional programs that drove customer acquisition, expansion, and measurable business growth, **contributing to \$15.5M+ in marketing-sourced pipeline and \$6M+ in closed-won revenue** across 457 opportunities.
- Led regional rollout of customer modernization, upgrade, and cloud adoption initiatives targeting hundreds of ERP customers.
- Developed and executed integrated growth programs spanning demand generation, customer marketing, ABM, paid media, webinars, events, partner marketing, and digital campaigns.
- Introduced AI-powered workflows and operational systems that improved planning, reporting, content development, campaign execution, and team productivity.
- Built executive reporting frameworks and dashboards that improved visibility into pipeline contribution, campaign performance, and business impact.
- Managed agency relationships, budget allocation, campaign optimization, and growth investments across the Americas region.

Senior Marketing Specialist

2023 - 2025

Rivel, Inc. | Remote (Headquartered in Westport, CT)

- Served as a strategic partner to the CMO, helping transform marketing into a measurable growth driver through digital strategy, demand generation, sales enablement, operational excellence, and revenue-focused marketing initiatives.
- Led the strategy and execution of a complete website redesign that increased website traffic from approximately **53,000 to more than 93,000 visitors** in six months.
- Improved average session duration from 28 seconds to 2 minutes and 36 seconds through website optimization, content strategy, and user experience improvements.
- Rebuilt paid search programs to improve lead quality, campaign performance, and return on investment.
- Launched the company newsletter and expanded content marketing initiatives to increase audience engagement and brand visibility.
- Developed sales enablement materials, customer success stories, presentations, and marketing assets supporting pipeline generation and revenue growth.

Senior Marketing Specialist

2021 - 2023

The Greentree Group | Beavercreek, OH

- Built the organization's marketing function from the ground up as its first dedicated marketing hire.
- Designed and launched a new corporate website in-house, saving approximately \$18,000 in outsourced development costs.
- **Increased inbound lead generation by 70%** through SEO, content marketing, website optimization, and digital marketing initiatives.
- Established marketing processes, reporting frameworks, campaign structures, and operational systems that created a scalable foundation for growth.
- Managed content marketing, paid media, lead nurturing, and demand generation programs supporting multiple business units.

Brand Marketing Specialist

2018 - 2021

Reynolds and Reynolds | Beavercreek, OH

- Developed a strong foundation in customer marketing, brand strategy, product marketing, and integrated campaign execution while supporting a portfolio of automotive technology solutions serving dealerships across North America.
- **Supported go-to-market initiatives, product launches, and acquisition integrations** for automotive technology brands, including GoMoto, ReconTRAC, and The Appraisal Lane.
- Developed integrated marketing campaigns, customer communications, email marketing programs, and product collateral designed to increase awareness, engagement, adoption, and retention.
- Produced customer advocacy content, sales enablement materials, presentations, and marketing assets supporting strategic growth initiatives.
- Partnered with product, sales, creative, and client-facing teams to translate complex technology solutions into clear, customer-focused messaging.
- Managed audience segmentation, campaign execution, reporting, and marketing operations activities to improve communication effectiveness and customer experience.
- Contributed to brand awareness, customer engagement, product visibility, and promotional initiatives across multiple business units and software solutions.
